

MISCELLANEOUS TEXT (FEC Form 99)

PAGE 1 / 1

During an internal audit, we discovered a partnership check from Boies Schiller Flexner LLP in the amount of \$25,000 was deposited by the campaign on 9/30/11. Each partner was credited with a \$2500 contribution to both the primary election and the general election. The partners are Christopher Boies, Jonathan Schiller, Donald Flexner, Robert Silver and Nicholas Gravante.

We realized our error on November 11, 2011 and issued a check to the partnership in the amount of \$25,000.

Since the original contribution was reported on the September 30, 2011 report, and the refund of contribution was made on November 11, 2011, we wanted to make you aware that we have discovered the problem, reviewed the regulation with our staff, have refunded the contribution and made the appropriate entries on the individual partners records. The return of contribution will be shown on the December 31, 2011 report.
